## IOLEBA.org/insulin

60.000 Americans under age 65 can not afford their insulin.

Link directly to our Campaign 2025 website page using the QR code on the left. Learn more, listen to our Podcast, review pricing comparisons, and more.

IOLEBA's goal; share this information to assist the 60,000 needing insulin, but can't afford it, learn about this savings option.

Walgreens does not sponsor or endorse IOLEBA, Campaign 2025. or the RxPrime Card. The RxPrime card is good at many national chains and over 10,000 pharmacies.

IOLEBA's May 2025 research found Walgreens, the best pricing using the RxPrime card aligned to the 10 most prescribed insulin meds in 2025. The RxPrime card will provide savings for insulin and many other prescriptions at other pharmacies as well.
